2025 Microbiology Undergraduate Scholarship Award Application

Application deadline: Friday, March 7, 2025 at 5:00pm.

Go to go.osu.edu/microbioscholarships to apply!

Eligibility:

The OSU undergraduate must be:

- A Microbiology Undergraduate Major
 - Exception: The Stent Scholarship, noted below on page 2, is available for all Biological/Life
 Science majors with a preference given to Microbiology majors.
- Plan to be enrolled as a full-time degree seeking student for the term in which you are applying.
 - This would include Summer 2025, Autumn 2025, and/or Spring 2026 semesters for the current review cycle.
- In good academic standing as per the requirements of each scholarship at the time of application.
 - o Note: Some Scholarships may have a set GPA minimum requirement. Please review carefully.
- Be aware, our Scholarships are for tuition & related fee assistance only. We do not provide other, outside assistance with our scholarships.

Components required in your application packet:

- 1. Personal Statement: Write a personal statement that tells what Microbiology means to you and how a scholarship in Microbiology will impact you and your future.
 - a. Formatting requirements: PDF format; 2 pages maximum; single-spaced; 1" margins; 11 pt font.
 - b. Please note the Microbiology scholarship(s) for which you are applying at the top of your first page
- 2. Current Advising Report
- 3. Resume
- 4. Document noting previously awarded scholarships
 - a. Include the name of the award, amount provided, and academic term + year
 - i. For Amounts: You can either provide the total amount for an academic year (Autumn Summer) per award or you can break down the total per term, per award (in the event you receive an annual award.
 - b. Please be aware: It will not be held against an applicant if you have not previously received scholarships! Just be sure to add a document noting "I have not yet received any scholarships"
- 5. All components should be compiled into a single PDF file and uploaded to the survey
 - a. Filename: Lastname_Firstname_Micro2025 (Example: A student named Brutus Buckeye would save their file as "Buckeye_Brutus_Micro2025")
- 6. Optional Letter of Support
 - a. While this is NOT required to be considered, if you would like to provide <u>one</u> letter of reference/support you are welcome to do so!
 - i. The letter must be from an OSU faculty member, Lecturer, Major Advisor, or current/former supervisor (cannot be from a peer or co-worker).
 - ii. This letter must be sent directly from the letter writer to the Department Manager, Staci McKinniss, at mckinniss.17@osu.edu or it will not be accepted.
 - iii. Letters of support must be submitted as a second file in PDF form and labeled as follows: StudentLastName_FacultyLastName_Micro2025. For Example, if Dr. Ruiz were writing a letter of support for Brutus Buckeye, it would be saved as: Buckeye_Ruiz_Micro2025
 - b. <u>We will NOT accept letters from</u>: Graduate Associates, Undergraduate TAs, classmates, roommates, family members, or other individuals who could not adequately- or appropriately-describe your coursework, research, or employment duties.

Acceptance & Other Awards:

Any student who is to be awarded a Microbiology Scholarship, **must confirm their acceptance via email and disclose any other scholarships/awards** they have been granted at the time at which they are notified of a Department of Microbiology scholarship. (The ability for the student to accept or decline scholarship awardsl.)

Questions? Contact Staci McKinniss at mckinniss.17@osu.edu

• Special note: We will only speak to and/or answer questions directly with the applicant- no exceptions
